EDUCATION

MIT ADT University - School of Engineering

Pune, India

B.Tech in Computer Science Engineering - AI & Analytics

2021-2025

- CGPA: 7.32/10
- Relevant Courses: Machine Learning, Data Mining, Deep Learning, Cloud Computing, Data Analytics, Neural Networks

TECHNICAL SKILLS

Languages: Python, C++, JavaScript, PHP, SQL, HTML, CSS

AI/ML Tools: TensorFlow, PyTorch, Scikit-learn, Pandas, NumPy, NLP, Neural Networks

Web & Cloud: Bootstrap, Tailwind, Git, GitHub, AWS, Azure, MySQL, Docker, REST APIs

Data Tools: Tableau, Power BI, Excel, Matplotlib, Seaborn

EXPERIENCE

Full Stack Developer Intern, Chemspace Pharmaceuticals Pvt. Ltd.

Jan 25 – Jun 25

- Developed complete pharmaceutical inventory and admin management system with dynamic product catalog and admin dashboard, reducing manual stock checks by 70%
- Managed backend server operations using PHP, SQL, and proprietary software, handling 5k+ daily product queries with <200ms response time
- Deployed application on Hostinger using Filezilla FTP with role-based access control and responsive design
- **Tools:** PHP, MySQL, HTML, CSS, JavaScript, Tailwind, Bootstrap, Hostinger

PROJECTS

EduDrop - Student Dropout Analysis | Python, ML, Data Analytics

Aug 23 – Jan 24

- Built Random Forest & XGBoost models using Python and Scikit-learn to predict student dropout risk with 87% F1-score
- Created comprehensive analytics dashboard combining data visualization and machine learning for real-time monitoring, enabling colleges to reduce attrition by 12%
- Implemented data processing pipeline for educational datasets with actionable insights and recommendations

BRO-AI - Python Voice Assistant | Python, NLP, AI

2023

- Developed NLP-powered voice assistant using TensorFlow and PyTorch with speech recognition capabilities, achieving 93% command accuracy
- Implemented natural language processing for voice command interpretation and OS task automation
- Engineered voice-activated features utilizing SpeechRecognition and pyttsx3 libraries, enabling hands-free control; this reduced task completion time.

CERTIFICATIONS & ACHIEVEMENTS

- AWS Developer Associate (Score: 844/1000)
- Microsoft Azure AI Fundamentals (AI-900)
- NVIDIA CUDA C/C++ Certification
- IBM: Exploratory Data Analysis for ML
- IBM: Introduction to Cloud Computing
- IIT Bombay: R-Language Training (Score: 70%)
